Course Power And Controls

https://www.indiamart.com/coursepower-controls/

We are a prominent manufacturer and supplier of power electronics equipment & PLC based control panels for Automation. These are widely appreciated for excellent performance, optimum efficiency, shock proof and long service life.
About Us

Established in the year 2000, Course Power & Controls is one of the distinguished manufacturers and suppliers of power electronics equipment and PLC bases control panels for Automation. Our range encompasses PLC based Control Panels, Thyristor Controllers, VFD Panels, thyristor controller, PLC panel, MCC panel, Control panel, VFD Control Panels, Thyristor Panels etc. These are acknowledged for consistent performance, high efficiency, easy maintenance, heat resistance and thermal shock resistance. Our sophisticated manufacturing unit and dedicated team of professionals is the biggest strength of our organization that helps us to undertake the whole production process in an effective manner.

The consistent upgradation of our production technology guarantees that our equipment and panels comply with international standards of quality. With our research findings, we are able to fabricate advanced and quality range of power electronics equipment and control panels for our clients. Under the able leadership of our owner Mrs. Mugdha Mahesh Panse, (MCom, DBM), we have established an exceptional recognition in the domestic market. The 25 years of experience and effective consultancy of our consultant Mr. Mahesh Prabhakar Panse (BE Electrical) has enabled us to achieve immense popularity of our power electronics and control panels among our clients.

NEW ITEMS

Fire Control PLC Panel

Industrial Control Enclosure

Electrical Control Panel

Industrial Control Enclosure
OTHER PRODUCTS:

- Thyristorised Power Controller
- 5 Zone Sintering Furnace
- Thyristor Control Panel
- 6 Zone Furnace with PLC
- Thyristor Panel
- Gas Fired Furnace PLC Panel
OTHER PRODUCTS:

- PLC Based Control Panels
- VFD Panels
- Electrical MCC Panel
- MCC Panel
