

Craft Land

<https://www.indiamart.com/craftland/>

Offering immaculate quality products, we have become an eminent manufacturer and exporter of a wide collection of wooden handicrafts that are intricately carved.

About Us

Carving a niche for ourselves, we are a well renowned team that is conscious about the quality that it offers. Incorporated in the year 1996, we are a well established ourselves as reliable manufacturer and exporter of carved wooden handicrafts. Our spellbinding wooden collection includes: **carved photo frame, carved CD boxes, napkin ring, carved jewelery boxes, carved candle stands, carved wall bracket, carved magazine holder, carved screen, wall panel, carved mirror frame, carved coaster and carved chairs** With an assurance that “we change the ideas in craft and make homes beautiful”, we have satisfied a large clientèle across the globe. Set up in Saharanpur, Uttar Pradesh, our business operations are not only limited to this state or India. Through our extensive array of flawless products, wide distribution network, marketing team and logistics support, we have been able to spread our business to different parts of the world.
