We are one of the leading manufacturers and exporters of a wide range of supreme quality Pharmaceutical Machines. In addition to this, we offer supreme quality Consultancy Service in Tablet and Capsule Section in Pharmaceutical and Herbal Project.

About Us

Established in the year **1987**, we, "**Create Industries**", are one of the top most manufacturers and exporters of a broad range of supreme quality Pharmaceutical Machines. The pharmaceutical machine range offered by us consists of Tablet Machines, Industrial Machinery and Filling Machine. The stainless steel and other basic materials, which are best in the market, are used for manufacturing of the offered pharmaceutical machines. These machines are precisely engineered in adherence to the industry laid standards by using cutting-edge machinery. The impeccable finish, robust design, user-friendly operation, high performance, energy efficient, low maintenance and longer functional life, makes these pharmaceutical machines highly demanded in the market. These machines can be customized as per the demands and specifications provided by the customers. **In addition to this, we are engaged in providing excellent Consultancy Service in Tablet and Capsule Section in Pharmaceutical and Herbal Project.** To execute the offered service within the assured time frame, we have appointed a team of skilled professionals. Offered by us at cost effective market prices, these services are highly appreciated in the market.

We have been able to cater to the precise needs of our valuable customers in the most efficient manner, owing to the ethical business policies and customer-driven approaches. Being a reputed name of this domain, we assure that the optimum quality of the...
