About Us

Incorporated in the year **1990**, at **Bengaluru, (Karnataka, India)** we, “**Creative Pest Control Consultants & Services (Cpccs)**” are known for rendering qualitative **Pest Control Services**. Additionally, our pest control services are offered strictly adhering to the pesticide as well as other pest control services act. Other than this, our potential clients can avail these services with full trust as these are provided with the assurance of safe and effective pest management.

Having positioned ourselves as the trustworthy enterprise among our clients, we are able to obtain maximum praise from the customers with our varied services. Equipped with the latest tools and technology, we are competent enough to carry out our services in an efficient manner. Moreover, the pesticides and insecticides we use are highly environment friendly. Further, these services are offered by abiding the international quality standards. In the execution of these services, we look after all the required safety measures.

It is the persistent hard work and commitment of our owner **Dr. K.S. Arun Kumar** that led our entity to gain popularity in the industry. More than this, his valuable guidance and tactics of business management influence our talented team to make regular improvements and increase the list of contented clients. Furthermore, he empowers his team in a way that it works flawlessly complying with the changing...
