CUS is a legal -Tech Company that specializes in commercial dispute resolution

About Us

About us: With an academic background in finance and law, We have a decade - long experience in understanding law, human relations and conflict resolution by adding technology to law and make dispute resolution simple, convenient and accessible. What we do: Provide consultancy services to customers in the financial matters such as Credit Score improvement, Insurance Claim Dispute resolution, Equity Funding & Taxation matters. Product 1: Credit Score: Credit Upaay strives to improve and repair activity of the credit score of individuals / company. Maintaining a strong credit score is very essential to get / avail loans & credit cards with better terms & conditions. One Credit score number can cost or save you a lot of money in your life time. An excellent score can land you lower interest rates, meaning you will pay less for any line of credit you take out. We have 12+ years of experience in resolving / guiding Credit Report problems. Product 2: Insurance: We provide Insurance legal Advisory & Claim Dispute resolution services for all types of Insurance lines of business i.e., Motor, Marine, Engineering, Health & Misc., Insurance contracts. Credit Upaay has the potential to be an effective tool to amicably settle disputes related to delay in claim settlement, rejection of the claims etc., as per the merits of the policy coverages, reasons for repudiation & applicable various insurance laws. ...
