About Us

Crescendo Connect is a new breed of service provider. Like traditional vendors, we rely on a network of hand-picked freelancers. Unlike traditional vendors, we use technology to offer unbeatable quality, speed, and value. Crescendo's proprietary technology platform is built to create a great work environment for translators and transcriptionists, so we can deliver clients ever increasing speed and quality. Crescendo's mission is to give more people the freedom to work from home. We are bringing the best of the office to our online workplace. We believe that attracting the best workers is the key to delivering great service to our customers. Crescendo is an Internet startup in Aurangabad, Maharashtra. Our VISION is to get at least a thousand freelancers / vendors under our stride and cater to all the transcription needs PAN India.
