## About Us

Centre for Research and Industrial Staff Performance, (CRISP), Bhopal has been established in the year 1997 as a Society under the Indo –German Technical Cooperation agreement. Ministry of MSME, Government of India was the line ministry for this project whereas the Department of Technical Education & Skill Development, Government of Madhya Pradesh and German Technical Cooperation agency (GTZ) were the implementation partners. It is headquartered in Bhopal with national & international operations dedicated to human resource development & organizational development. These activities are targeted at Government, Industries, Academic Institutions, Developmental Organizations as well as the Civil Society. The organization has excellent infrastructure in terms of sophisticated laboratories in the field of Industrial Automation, Mechatronics, Production Technology, Information & Communication Technology (ICT), Multimedia Technology etc. CRISP is one of the most preferred service providers in the areas of Technical Vocational Education & Training (TVET), Training Institution Management and Entrepreneurship development.
