## About Us

CLSL had started as a small scale unit for the manufacturing of crop protection chemical almost one decade ago. By Acquisition, backward and forward integration, CLSL now has become one of the leading manufacturer of wide range of products- Insecticides, Fungicides, Herbicides, Micro Fertilizers, Plant Growth Regulators and Soil Plant Health Products.

CLSL believes in the strategy of continuous expansion and development of high value and branded products with thrust on registration and marketing according to customer requirement.

CLSL has manufacturing units located at Ankleshwar in Gujarat. It runs on world class technologies and quality services. Company focused on quality to serve its customers. Each stage of production from raw material to finished product is closely monitored and maintains the standard. Company's unit certified with International Standard ISO 9001:2008 for quality assurance.

R & D is Major strength for company and it continues to invest in innovative formulation that are environmental and user friendly. The company is fully committed to maintain and expand its portfolio.

The aim of CLSL is to build strong relationship with customers to understand their needs and deliver real performance in term of usage.
