## About Us

Crossroads Mall Dehradun is a pioneering shopping and leisure destination to shop, to eat, and to meet. Find over 50 luxury, premium and high street retailers within the architecturally stunning centre. A bustling cluster of eateries runs along the Food Loft at Crossroads, offering a host of international cuisines. There is also a fine dining option in the form of The Tavern - Bar & Restaurant on second level. Crossroads Dehradun is as much a meeting hub as a place to shop and eat. A stunning central Atrium, unique in Dehradun City, hosts a full calendar of arts and educational & cultural events beneath a spectacular glass roof. The mall was inaugurated in Jan 2013 by Chief Minister Vijay Bahuguna, there is also an upcoming multiplex movie theatre, hyper stores, gym & spa.
