About Us

C. R. Sagdeo & Co. a Chartered Accountant firm, set up on 1st April 1966, has offices at Nagpur and Pune. Over the years, the firm has gained in-depth experience in providing a multitude of services to a number of corporate clients. The executive team of the firm today provides real world solutions to complex business issues by laying stress on meeting time bound schedules and continuously upgrading technical skills.

We carry out audit assurance services for public limited organizations, public sector organizations, private sector organizations, nationalized banks and SME's.

We are into tax practice, catering to income tax, FBT, sales tax, VAT and service tax for a large number of small, medium and large scale organizations.

We provide a range of specialist management consultancy services in various functions and sectors. With consulting experience of about 40 years, we are a pioneer and leader in consultancy services in Central India.

We believe that each business problem is different, and that best advice is possible only if the problem is analyzed in the right business perspective. We offer a vast gamut of services under one umbrella. We understand that the clients business problems may span different functional areas and may require in-depth understanding of several industries.

We believe in building long term relationship and lasting associations is directly proportional to client satisfaction rate.
