Providing all types of project consultancy services.

## About Us

**CSAGT** (**C**onsulting, **S**upervising **A**nd **G**eneral **T**rading) was founded in 1978 as the personal undertaking *Dr. Jassien Kizaoui, CSAGT* and has been converted into the **CSAGT International GmbH** in 2001. From the very beginning, **CSAGT** has been focussed on Middle Eastern markets acting either as a

- *Project Consultant,*
- *Sourcing Consultant or*
- *Exporter of numerous products and services.*

The activities of **CSAGT** have never been restricted to *certain* products, plants or services only. Instead, **CSAGT** have always followed the target to build broad long-term cooperations with clients in the Middle East comprising a diversified palette of products, plants and services. This strategy was acquired by **CSAGT** in view of the typical business reality in the Middle East where the built-up of a trustful relationship with clients is of special importance and often an excellent basis for generating diversified business opportunities comprising various products, plants and services. Thus, in more than 30 years **CSAGT** have developed a sound competency within many fields of industry, infrastructure and energy where *Consulting, Supervising, Coordination, Management and also Supplying* activities have been executed reliably in cooperation with companies like BASF AG, Eagle-Picher Minerals Europe GmbH & Co KG, Netzsch Mohnopumpen...
