

Cupt Crane Service Co

<https://www.indiamart.com/cuptcraneservice/>

A **Government approved** organization, engaged in rendering Roadside Towing Services as per the specifications of our clients. To provide these services, we are supported by efficient workforce that has years of experience in this field.

About Us

In the year 1956 Company was Incorporated but Legally Established in 1997 , we, **Cupt Crane Service Co**, are a Government approved organization, engaged in rendering **Roadside Towing Services** as per the specifications of our clients. All these services provided by us are executed with utmost care and under the close supervision of our experts. We make use of latest machines and all necessary cranes for towing the vehicles from accidental spots and other sites. Our facilities help us in providing competitive deals to our clients thereby, enabling us to develop long lasting relationship. To serve our client in the best possible manner, our professionals hold specialization in towing trucks ranging from Lcv's to heavy vehicles and recovery of trucks up to 1500ft. We are authorized service provider for India Assist India Operations, Euro Assist India Operations, My TVS 24x7 and Reliance Trans Connect 24x7. This has enabled us to make a mark for our organization in this competitive sector. To meet with the individual needs of our clients, we also provide customized solutions as per their requirements. Under the able guidance of our owner, **Mr. Ravichandran. V**, we have established an indelible and commendable presence in the industry. He has done Automobile Engineering and has years of industry experience that helped us to achieve excellence in our performance.
