# Cyber Metric Services India Private Limited

<https://www.indiamart.com/cyber-metrbengaluru/>

Providing web design services, SEO services etc.

## About Us

**CMS Computer** is into Software Development, Web Development, Placement Consultancy, IT Training & Corporate Training catering to various industries both IT & Non-IT sector since 1997. **Our clients are: Mahindra Satyam, SLK Software, Tech Mahindra, L&T Infotech, IBM, Mphasis, Convergys, HCL, TCS and many more...**

We have many job openings to be filled for our clients but we are unable to place right candidates because they lack with technical skills. We at CMS, bridge the gap between the clients & the candidates by training the candidates with the required technical skills, So that we can satisfy the clients as well as provide job opportunities to the candidates. ***“We transform student to PROFESSIONALS”***
