https://www.indiamart.com/daduprecisionfasteners/

We are eminent manufacturers, exporters and suppliers of an extensive range of premium quality Industrial Fasteners comprising a wide range of products in Mild Steel, High Tensile and Stainless steel.
About Us

Dadu Precision Fasteners (P) Ltd. established in 2004, a private limited company promoted by Mr. M.C. Khandelwal incorporated in 1973 after having wide experience of over 50 years in the trade of industrial fasteners in view growing demand for high quality industrial nuts, bolts, washers and other similar products. Catering to the extensive demand of these products our company has emerged as an eminent manufacturer, exporter and supplier of a wide gamut of supreme quality, Industrial Rivet, SS Fastener, Industrial Bolt, Industrial Nut, Ball Pin, Bright Bar, Wire Rod and Forged Component. In view of critical application of product we at DPFPL ensure strict quality checks right from procurement of raw material dispatch to customers during which it passes through stringent quality tests and continuous supervision by patrolling inspectors. All the required machinery tools are available with us, provided for the purpose of making achieving of our firm production goals. We pay immense attention to the up-gradation process of our production facility on a regular basis. For this purpose we have arranged best facilities at our base that also helps in staying ahead of our competitors. For the ease of operations & business management, we have parted our base into several categories. By making utmost efforts we are working under the supervision of Mr. Rajesh Khandelwal (Director), work appropriately as per the market...
