Darolya International Private Limited

<https://www.indiamart.com/darolya/>

We are a leading Global project engineering company engaged in offering turnkey engineering and construction projects as well as supply projects. These can be offered by us in different specifications to choose from.

About Us

Established in the year 1985, at Faridabad, Haryana, India, we "Darolya International Private Ltd.," are one of the leading exporters, traders and service providers for core sectors of **Agriculture and Industrial Projects, Irrigation, Water Treatment, Power Transmission & Distribution.**

Our range includes **Agro and Food Processing equipment, Equipment for Transport - Railway / Shipping / vehicles, Workshop Machinery, Power and Hand Tools, Farm Machinery & Implements, Irrigation Equipment, Earth Moving Equipment, Road Construction Machinery, Trauma Kits, Disposables and Consumables for medical sector, Re-printing of Text books and Uniform Accessories & Materials.** Our business operations are led by **Mr. Rakesh Darolya**, who has with him rich experience in the involved area of operations. Under his leadership, what we have achieved in this period of 25 years is because of the hard work, dedication & sincerity shown by our team comprising mostly of highly qualified industry professionals. They assist us in ensuring that the solutions offered match up with the exact demands of our customers. Today, the keyword that has remained as part of our growth & success is "Focus" and further "Focus on Focus." This has helped us in attaining desired work standards as expected from us by our respected customers and clients all over the world. Further, we also do not rest on our laurels and do recognize that to...
