Darshan Tex-chem

<https://www.indiamart.com/darshantexchem/>

We are a well-known Manufacturer and Supplier of Industrial Chemicals, Printing Inks & Chemicals, etc. Our products are used for their accurate best grade materials, reasonable rates, precise composition, etc.

About Us

Established in the year **1990**, at **Ahmedabad (Gujarat, India)**, we, "**Darshan Tex-Chem**", are engaged in manufacturing and supplying an array of **Industrial Chemicals, Printing Inks & Chemicals, Industrial Binders, Textile Printing Thickeners**, etc. These products are formulated with superior raw material which is procured from trustworthy vendor base of the industry. We also use cutting-edge technology in the formulation process of the products. Our chemicals are extensively appreciated by our clients due to their features like precise composition, excellent thermal stability, high viscosity and purity. Industrial Chemicals, we offer are used in several industries. Backed by a rich vendor base and a dedicated team of scientists who quality tests all our range to be at par with International quality standard, we have been able to carve a niche for ourselves in the chemical industry. Moreover, we take pride in having a large warehouse which is dust and moisture resistant which ensures that our assortment of specialty chemicals is stored safely.

We are supported with a best-in-class infrastructure which is spread over large area. There are various units such as, formulation, quality assurance, research & development, warehousing & packaging, logistic, marketing & sales and logistic. All the departments are equipped with latest facilities which help us to carry out all the business processes in a flawless manner. The...
