## About Us

Dataflow group of companies comprises of Dataflow Software Solutions, Nitek Systems and Dataflow Display Systems Pvt Ltd, operating primarily from Mumbai, India. Dataflow Software was founded by Mr Rajiv Bhagwat, in 1985. After doing the Bachelor of Engineering (Computer Sc) from V. J. T. I., Mumbai University and M. Tech (Computer Sc.) from Indian Institute of Technology (IIT Bombay), Mumbai; he joined the industry in 1979. Experience from M/s Patni Computers Pvt Ltd and M/s Minicomp Pvt Ltd gave him a head-start in exploring the emerging technologies at the time and enter the market when PCs were becoming popular worldwide. Prior to that, he had acquired the experience in Commercial and Systems projects done in U.S.A., Sweden, Hong Kong and other countries.
