## About Us

DATT Consultancy (DCS) is based in New Delhi the Capital of India with a 24 x 7 days working pattern and the production unit in Gurgaon, the outsourcing BPO hub of India. With well built infrastructure and a professional team of Architects, Engineers and Drafting staff we can take up your CAD Conversion and Drafting requirements with quick turnaround time. We offer both fixed or hourly based pricing as low as USD 4 per/hr. We use only licensed software's for all our projects and are against the use of pirated software's This is to ensure that the applications that are used at our end does not compromise with the any standards or quality giving our clients the output as per latest technologies. We started with an aim of preparing professionals by training them in using of latest CAD/CAM software's like AutoCAD, Architectural Desktop, AutoDesk Building Systems, ArchiCAD, 3DMax, Maya etc. for Architectural Industry and AutoCAD, Mechanical Desktop, Solid works, Solid edge, Ideas, Pro-Engineer etc for Engineering industry. Having continuously serving the professionals DATT Consultancy advanced and took one step further in undertaking industry specific projects. The idea was to make these professionals have experience from the International Architectural and Mechanical industry and also utilizing the best of Indian professional skills already framed as best in International market because of Quality services. Today we are serving directly and indirectly our overseas clients from USA,...
