Meghraj Industries

<https://www.indiamart.com/dattakrupa-engineering/>

Meghraj Industries is the largest organization engaged in manufacturing Transmission Line Towers, Assembled DC Tower, and Tower Parts. These are strong built and weather proof in nature.

About Us

Founded in **2005**, **Meghraj Industries** has come up as highly regarded entity manufacturing and supplying the best assortment of Transmission Line Towers, Assembled DC Tower, and Tower Parts. We also deal in Channel for HT-LT Line, Awaiting Material for Galvanizing , Coel Furnace for Bending, SPM Tower, Finished Goods for Sub Station Structure, and EHV Line Plates. These are highly appreciated for their minimum maintenance, easy installation, and durable finish standards. The product is manufactured under strict guidance as per the standard qualities set up by the industry. Our firm has given a tough completion to our competitors in the market owing to our flawless quality products. This was made possible due to the valuable guidance of our mentor **Mr.Vijaykumar Raskar** the President of the firm.
