Dayamayee Nursery

<https://www.indiamart.com/dayamayee-nursery/>

We are one of the wholesalers and suppliers we deal in an exotic variety of plants. We also offer gardening services. The nature of our business give us the scope to bring joy to life and give back to earth what we took away .

About Us

We are going back to nature with our bountiful offerings of greenery to the arid concrete jungles that our habitat has become. We, **Dayamayee Nursery**, since our inception in the year, **2000**, have revolutionized the green concept with our gardening solutions and supply of **Palm Trees** in **Kolkata** and **Bangladesh**. As wholesalers and suppliers we offer an extensive range of flowering and green plants. Some of the plants we offer are Marry Gold, Dahlia, Chrysanthemum, Seeds, Bamboo, Cyclades and Palm Trees. We take our business operations seriously, that is why we have equipped our temperature controlled nursery with technologically advanced tools and equipment. We follow quality of highest order in all our business operations. The plants that we supply to our clients are of highest standard, grown from natural seeds and nurtured with organic systems. We source our range from trusted vendors. Our customers are very happy with us for the dedicated services we provide. Our new customers have swelled the ranks of the old ones. With propagation of greenery we are propagating our clients base too. That's happy news as far as greenery is concerned. We believe in quality of services and products we supply to our clients. That is why our clients are happy with us.
