

M/S DB Engineering Solutions LLP

<https://www.indiamart.com/dbengineeringsolutions/>

D. B. Engineering (P) Ltd is today one of the largest manufacturers of cutting tools in India. Since the company's inception in 1951, it has treaded a path dedicated to producing world class industrial machine knives and blades. This has been ...

About Us

We are a manufacturing company having the wherewithal to give you Quality blades.

An established leader in the manufacturing of Industrial Knives and Blades. Today we have a very broad and wide domestic customer base, which include some of the largest Paper Mills, Steel Mills Service Centers, Tube , Pipe and Section Manufacturers, Printing and Binding house, Plywood, Chipboard, OSB board manufacturer in the country. Included in our customer list are some of the leading PSF manufacturer, Plastic Granule manufacturer and also Plastic and Metal Recyclers.

Further our products are also being exported to more than 40 countries worldwide. In-fact our export sales are contributing nearly 60% of our total turnover. Our major customer being Machine manufacturer, Reseller and End user, this has been made possible by a very committed team of Engineers, Technicians, Designers, Sales, Marketing and Planning Professionals along with good management system and practices.

To help us in our success are the very latest equipment sourced from the best manufacturer worldwide starting right from the Band saws, machining centers, turning centers to the Surface grinders, heat treatment furnaces, inspection and testing equipment all have been sourced from renowned German, Japanese, Korean, Italian and Taiwanese manufacturers.

The core component of Blade making is the Raw Materials which are being sourced from some of the best steel...
