About Us

Incepted in the year **2008**, in **Gurgaon (Haryana, India)**, we “**D. D. Enterprises**” are the distinguished **Trader** and **Supplier** of wide assortment of **Cutting Tool, Twist Drill, Industrial Reamer, Hand Tool, Polishing Product, Packaging Product**, etc. The offered products are sourced from authentic vendors of the market who are commended for their product quality since many years. Our vendors manufacture these products using optimum grade material with the help of high-tech machines in compliance with set industry norms. Our offered products are widely used in different metal fabrication work and engineering industries for different purposes. We offer these products to our clients in different technical specifications to meet vast necessities of our clients. Our procuring agents keep strict testing of these products before procuring them from trusted vendors. These products are widely appreciated by our clients for their outstanding features such as robust construction, sturdiness, anti corrosive, easy to use, sharp teeth, high performance, dimensional accuracy and durability. In order to store the entire range of products, we have set up a spacious warehousing unit that is supervised by our warehousing personnel. The warehousing unit is been classified into various sections to keep the offered products in organized manner as per their category. Being a quality-oriented organization, our main objective is to meet vast and...
