About Us

Dealcliq Technology Private Limited (www.Dealcliq.com) is a one click destination for all the latest innovations, tech gadgets, and the products of day to day use which are not yet launched in India , also we are an O2 Platform (Once Opened box Products). We at DealCliq wants to bring the world at your doorstep .We are the first of its kind website in India.

We Cater in mainly two categories :

- **GADGETS which are mainly imported from USA & Hongkong**
- **O2 Products which are once opened box Products**

O2 Products are those which are never used but their packaging is opened once for various reasons like qualitycheck , Box Packaging damaged or in few cases when the products have some minor dents or scratches which doesn't affect the quality or the functionality of the products and hence are sold at heavy discounts. Also the best thing about these products is that you get the Manufacturer Warranty as per their terms & conditions. All the imported products you ever craved for or wanted to buy but couldn't due to exorbitant shipping charges and custom duties will be now at your doorstep like you order from other online Indian portals and with proper GST invoice .We even guarantee* the prices with other Indian websites selling imported products as we don't have any middlemen , its directly from brand warehouse to us . -We provide you flexible payment options, EMI options , return options. The best thing about us is...
