About Us

Established in the year 1993, we, “**Deccan Edibles Pvt. Ltd.**”, are engaged in supplying, exporting and importing a hygienic range of **Fresh Fruits, Vegetables, Spices & Red Chillies**. In addition to this, we are engaged in manufacturing and supplying a range of **Fruit & Vegetable Puree**. The comprehensive range we offer includes **Fresh Grapes, Fresh Pomegranates, Fresh Mangoes, Papaya** etc. In addition to this, clients can avail **Custard Apple, Fresh Garlic, Fresh Onions, Fresh Vegetables, Canned Sapota (Chikoo) Pulp and Slices and Mango Slices**. The tomato puree offered by us is processed using fresh and pure tomatoes, sourced from renowned cultivators. Our vegetables and fruits are demanded for their features like high nutritional value, safe consumption, free from adulteration, longer shelf life and strong aroma. The mango pulp can be used in making ice creams, pudding cream, juices, baking fillings and jam. We offer these products in various packaging options to our clients, who are located across the national as well as international markets. We are supported by a state-of-the-art infrastructure facility, which enables us to meet the qualitative and quantitative demands of our valuable clients. The unit is partitioned into several sections and each portion is equipped with essential resources. Our unit is managed by a team of competent professionals, which executes all the business...
