About Us

We are a leading **manufacturer, supplier and exporter** of **Cafeteria Tent, Fabric Sails, Tensile Membrane Car Parking Structures, Entrance Canopy, Roof Canopy, Tensile Stadium Roofing, Swimming Pool Covers, Tensile Canopy** & many more. We also provide **Designer Walkways Fabrication Works** and **Membrane Installation Services**. Our major exporting countries are **Gulf Countries, European Countries, Australia, New Zealand, Singapore, Malaysia**, etc. **Deccan Engineering Services (DES)** established in the year **2008** in India, and specializes in design, fabrication and installation of **Tensile Fabric Structures**. These are light weight, capable to withstand high wind loads, made out of high translucency fabric, offering an abundance of natural light and 100% protection from UV rays. **DES** represented by S A Raheem has worked for many years with world leading tensile membrane companies like, Taiyo Membrane Corporation-Australia for there stadium projects in India and SAS-Abu Dhabi, Structurflex-New Zealand based company in middle east on various complex tensile fabric structures for nearly 20 years.

"Award-winning design depends on the depth of knowledge of what is possible and how far the boundaries can be pushed to high standards of safety."

After working on multiple highly-awarded tensile fabric project in middle-east with SAS-Abu Dhabi for over a decade, S A Raheem moved to India and started its own...
