We are a sole proprietorship firm engaged in manufacturing & supplying thermocol items. Our range encompasses thermocol sheets, thermocol blocks, thermocol shape moldings etc.

## About Us

Established in the year **1998**, we, "**Deepak Associates**" are working as a prominent manufacturer and supplier of Thermocol Sheets, Thermocol Blocks, Thermocol Shape Moldings, Thermocol Slabs and Thermocol Packaging Boxes. These products are used for providing cost-effective and secure packaging of various items like automobile parts, building insulation, glass articles, gift & handicraft items, electronic components and frozen & fresh fruits. Furthermore, we have a large infrastructure that facilitates us in storing, testing and dispatching the entire product line in an organized manner.

Our mentor, '**Mr. Dharamveer Singh**' has always worked hard to ensure faster growth of the organization in the domain. Under his leadership, we have managed to gain the trust of our esteemed clients. With his vast industry experience and thorough knowledge, we have been able to maintain our favorable market position.
