<https://www.indiamart.com/deepak-transexpress/>

Offering supply chain management services, warehousing services etc.

About Us

Deepak Transexpress is a vision of innovating the changing requirements of today's logistics and also introducing evolutionary service products to help the customers evolve their supply chain patterns. The combined strength of the Deepak Group infrastructure built over 5 decades puts together a product that can challenge the existing services and service providers in the market with a steep edge in dedicated service schedule, cost reduction, last mile connectivity, technical and IT efficiencies, operational optimization staying ahead of the times. Deepak Transexpress is today's local transport and also today's giant redefining complex supply chains ■ Deepak Transexpress is a professionally managed, multi-crore company backed up with an experience of 50 years in the industry ■ We provide excellence in service through our sister concerns with an expertise in each service line vertical ■ With the ever changing patterns in the various sectors of the economy the company aims at putting a single window solution product in place with an infrastructure of nationwide network of over 250 branches and 5000 locations ensuring last mile connectivity, fleet of over 400 vehicles covering over 75000 kms daily and built up space of 20,00,000 sq. feet for warehousing. The product ensures highest levels of service efficiencies at the most economic costs. ■ We have grown our exposure and an expertise to all markets, sectors and industries of the economy with over 50000...
