Deepthi Foods & Formulations

<https://www.indiamart.com/deepthifoods-formulation/>

We are manufacturer and supplier of indian traditional spices, biryani masala, whole spices, curry powder. These spices are being utilized in homes, restaurants and other food related organizations, in the domestic and international markets.

About Us

Deepthi Foods & Formulations was established in the year 2003. We are manufacturer and supplier of Garam Masala, Tandoori Spices, Curry Powder, Blended Masala etc. Adhering to rigid quality control measures, we are committed to offering the foremost quality products to our clients. We procure raw materials such as spices and herbs from renowned vendors to assure the production of fresh and unadulterated masala products. Being a client-centric and quality-conscious firm, our range of spices are popular all over the world and have favoured us to become the market's leading manufacturers and suppliers in South India.

Our products are well examined on various parameters of quality, quantity, flavour, packing and others before every delivery. With almost ten years of experience, we hold a reckoned status for offering the best quality spices and for on-time delivery services. With the delivery of finest quality products, we have earned a great reputation in this business thereby gaining clients all over the world. We also provide first-class warehousing service to guarantee regular protection of the products from heat, dampness, dust, adulterants and others.
