# Deerak Solutions Private Limited

<https://www.indiamart.com/deerak-solution/>

Deerak Solutions provides complete, 360-degree performance visibility to guarantee our customers regarding quality assurance, thought leadership, vision & mission.

## About Us

**Web & Mobile Applications** We're a full-service Web and Mobile App Development Company focused on exceptional service and quality. We build web and mobile applications, as well as provide business and technical services such as code audits and team training. We uphold the highest quality standards in all that we do.

### Technology Solutions

Technology changes every single day, making it nearly impossible for you to keep up on the latest improvement options for your business. Deerak Solutions can work with you to ensure the success of all of your technologies.

### ERP Customer Support

Deerak Solution's dedicated customer service and technical support teams are available to diagnose and resolve your problems quickly to keep your system up and running at an optimal level.

### Staffing

We offer professional IT staffing solutions to companies looking for on-demand technical expertise for short or long-term assignments. Our staffing approach integrates your recruitment and placement process, and reduces costs through effective technology staffing solutions. We focus on your organization's unique needs in the sourcing and hiring process.
