Offering laser tooth whitening services, dental implants etc.

## About Us

Delhi Dental Center is a well renowned dental center in East Delhi. D.D.C. has been established in 2000 with a vision of two dental surgeons Dr. Amit Goswami and Dr. (Mrs.) Vandana Goswami who have a long experience in government and private dental practice in New Delhi India. Apart from most traditional dental clinics we have made our dental center with warm atmosphere and hospitality combined with modern equipment and technology to serve the people well. In our practice we basically concentrate on sterilization and esthetic dental treatment, providing first class services by the specialist in any kind of treatment.
