About Us

Our Profile **Apple Aircon**, a Private Limited Firm was established in the year 2005 with technological competence in the field of **Clean Room HVAC, Precision Air Conditioning and Comfort HVAC Systems**. Behind the success of the organization lie the tireless efforts of its Founder & Owner, **Mr. Mohan Bhorkar**. The strong technical know-how and immense work commitment are the cornerstones of the success of the organization. Backed by highly technical and qualified staff, the company provides end to end solutions in air conditioning, air purification, ventilation, heating etc. Apple Aircon also provides its years of expertise through consulting and a wide variety of engineering products keeping in mind specific customer requirements. Apple Aircon takes pride in its association with industry's big brands like **Carrier, Emerson, Envirco and Trion**. We believe that success does not come overnight; it is the result of perseverance, quality work, and above all building strong team of dedicated and skilled workmen. At Apple, every team member has proven among the top for its highly engineered solutions and skillful handling of projects and maintenance works in the ever changing and ever demanding scenarios of modern air conditioning. Our work experience encompasses **Consulting, Designing, Implementation, and Product Sales and Services**. We at Apple believe that Excellent Customer Service,...
