Delite Enterprises embarked its journey as a noteworthy and reliable wholesale trader and supplier of Industrial Bearings, Ball Bearings, Linear Bearings, Pillow Block Bearings, Rod End Bearings, Roller Bearings, Sealing Rings Bearings etc.

## About Us

Established in **1987**, we **Delite Enterprises** is a widely known **wholesale trader** and **supplier** of various bearings such as **Industrial Bearings, Ball Bearings, Linear Bearings, Pillow Block Bearings, Rod End Bearings, Roller Bearings, Sealing Rings Bearings and Spindle Bearings**. Offered products are available in several specifications to meet each client's demand. Our products are synonym to high performance, strength, advance technology, long life and reasonable market price. Understanding specific applications of our products and their required technicalities, we seek to select our products which are designed and developed by specialized professionals. Moreover, to keep our business curve in upward direction, we keep reshuffling our product lines according to the emerging requirements. Over the years, we have developed a niche market segment for our products. These are sourced from reliable vendors of the market. We select our vendors on the basis of their market position, financial strength and quality standards hence, we ensure that our customers will receive best products to strengthen and increase long life of their products. We have skilled professionals who are dedicated to fulfill each client's requirement in the most satisfactory manner. Besides this, we strive to deliver our products through wide distribution network within predetermined time period. **Mr. Praveen Rohatgi**, our mentor, has...
