## About Us

We are strategic sales experts who understand what it takes to make businesses successful and generate sales. We have been providing sales enablement services for over 18 years now and we understand the industry pulse and what it takes to be profitable in the marketplace. With our blended approach of tele, feet-on-street and technology enabled platforms, we understand the requirements and therefore devise mechanisms to bridge the existing gaps and drive profitability. Over the years, the organisation has built multi-industry cross-geography expertise partnering with global businesses. With workforce strength of over 4500+ employees, a reach spanning 5 continents, 50+ countries and 500+ cities globally and a clientele that's rich with Fortune 500 and industry leading companies, Denave has traversed the evolution from an Indian, Asian and to now a global company. With Respect for Individual, Integrity & Transparency and Inclusive Growth as our guiding principles, our building blocks include:
