About Us

Designhaaus is a multi-disciplinary architectural firm founded by highly creative and innovative architects. With offices in Bangalore and Hyderabad, we seek to maintain high design standards and achieve the same with an enthusiastic, young and dynamic team, whose instinct for design is tempered by real world experience where they have been exposed to designing and supervision of a variety of projects. We believe that its most significant strength is the quality of its people and belief in values.

Designhaaus , works with an aim to leave a mark through responsible and responsive architecture. We strive to create designs that aid society, advance modern technology, sustains the environment and inspire those around us to improve our world.
