## About Us

“Design Innovative” An architectural and interior designer house well comes you. As a firm, established in 2006 and a experience of six big years in this field, we must say that we don't need to say anything good about us, our work **will speak better than us.**

Mr. Kaushal A. Trivedi has established the Firm in 2006 to provide engineering support in the field of architectural and interior design. He himself is having a quite huge experience of 12 years in this field.

Our office is located in Rajkot, Gujarat. Our firm has carried out various kinds of projects all over Saurashtra and Gujarat. The company has reputation of providing quality work in stipulated time periods. Our company is presently having State of the art Computer facility for designing. Most of the design calculations are computerized. Our firm provides services of construction management, site supervision and material management. We undertake turnkey projects also.
