About Us

Devarshy Arts International Private Limited came into existence in the year **2008** as a manufacturer of an extensive range of Ladies Scarves, Digital Fabric Printing and Cushion Covers. Since the inception we put emphasis on value creation, which reflects in the soaring demands of our apparels. We facilitate eye-catching vibrant colors, delicate/bold patterns, stylish graphic prints blended with a contemporary "twist" to attract the attention of any woman. We have garnered a secure position in the market and cater to every client in the most satisfying manner.

Our success has been based on our mission to strive for the greatest reliability and quality of our products to keep abreast of the changing fashion trends. We strive to provide the best quality to our buyers. We possess updated infrastructure, highly skillful workforce and utilize advanced technology at all stages of our production to attain excellence concerning quality, dependability, and commitment to our customers. We put forward a mix of most exquisite and elegant traditional and modern clothing and kaftans to customers with a huge selection of colors, prints, embellished with beading.

Under the able guidance and expertise of our mentor, **Mr. Parijat**, company has grown manifolds to become one of the major manufacturers of women apparels. His industrial experience and intellectual approach have led the organization to become a big player in the market ...
