## About Us

Devoir Technologie is a Chandigarh-based IT firm delivering high quality, cost effective, reliable result-oriented company which delivers services like SEO, Mobile Apps like iPhone, iPad apps, Android apps, Web Development & e-commerce solutions on time for a global clientele.

Professionalism, Skill and Expertise are the tools we use to get your Business maximum return on your investment in shortest possible time.

From a two member team we have grown to over 60 and we are working towards a head count of 100 very

shortly. One thing has made it possible-our focus towards your needs. During this journey, we have managed to

partner with various companies across the globe let it be in Australia, US, UK, Europe.

Our Advantages are Quality with effective pricing & Communication at each level. We like to work with our clients to help crystallize ideas into solid specifications-the corner stone for successful project delivery. Technology is what we excel in-that is what we deliver-but more than that we deliver a pleasing experience throughout the project delivery.

We use instruments grounded in proven behavioral models and classic management theories, internationally validated and field tested by a large population of managers, enabling people to put validated theories into real world experiences, providing customized learning and technological solutions to the global society.
