Deys Power Project

<https://www.indiamart.com/deyspowerproject/>

We are the leading manufacturer, supplier and exporter of Overhead Transmission Line Material, Electroforged Grating, Mobile Tower Fabrication, HT Transmission Tower Fabrication, LT Transmission Tower Fabrication and many more products.

About Us

Deys Power Project is incorporated in the year **1998**, as a **sole proprietorship** based company. We are involved in **manufacturing, supplying and exporting** a wide range of **Overhead Transmission Line Material, ElectroForged Grating, Mobile Tower Fabrication, HT Transmission Tower Fabrication, LT Transmission Tower Fabrication, Transmission Tower Fabrication** and many more products. The offered products are fabricated by using good quality material that we sourced from the reliable merchants of the market. Our products are highly efficient and known for their hassle free performance. In addition to this, we also customized products according to the advance technology. These products are technically advance and also tested for their quality assurance in various parameters while manufacturing. Our entire range of product is available in the market in bulk at reasonable rates. We also strive hard to match the client's requirements and also ensure to deliver the products to various places all across the world in given time frame. We export our products to different countries by the mode of transportation such as by road, sea and air. **Mr. Ratan Kumar Dey** and **Mr. Tonmoy Roy** is the mentor of our company. They have wide knowledge of the market and year of experience in this domain. They motivate our professionals and guide them. Under the able guidance of our mentor, we are capable to meet the huge market demands in given time...
