<https://www.indiamart.com/dhameja/>

We are one of the leading manufacturers and exporters of wide variety of spices and cooking ingredients. Our assortment is widely appreciated for additive-free, good taste & aroma, available in various flavors and high nutritional content.

About Us

Established in the year **1966**, **Dhameja Home Industries** is one the distinguished manufacturers and exporters of spices and cooking ingredients. Our range encompasses Spice Powder, Mango Powder, Coriander Powder, Turmeric Powder, Blended Turmeric Powder, Pavbhaji Masala, Chaat Masala, Jaljeera Masala. Besides, we also provide Kashmiri Chili Powder, Garam Masala and Channa Masala, Sambhar Masala, Mango Powder, Pickle Masala and Jeera Masala. These are known for rich in taste, long shelf life, high nutritional content and preservative free. We have modern manufacturing unit that helps us to prepare spices in most hygienic manner. Our wide assortment of spices and cooking ingredients are stored in our spacious warehousing unit to maintain the freshness and aroma. We also pay complete attention to packaging process and use quality packaging material to keep our spices and cooking ingredients fresh for a longer period. Abiding by certain quality control norms and measures, we carefully monitor our spices and cooking ingredients at various stages of production to ensure our products free from chemical preservatives. Our organization was started at Indore in Madhya Pradesh in the year 1966 by **Mr. Tarun Dhameja**. His enormous industry experience and foresighted vision has taken our company towards peak of success. Our company is well armed with modernized plant that allows us to make authentic and delicious food products for our...
