About Us

Dhanuka Agritech Limited manufactures a wide range of agro-chemicals like herbicides, insecticides, fungicides, miticides, plant growth regulators in various forms – liquid, dust, powder and granules. The Company has a pan-India presence through its marketing offices in all major states in India, with a network of more than 7,000 distributors/ dealers selling to over 75,000 retailers across India and reaching out to more than 10 million farmers. The Company has technical tie-ups with 4 American, 5 Japanese & 2 European Companies. Dhanuka's target customers are primarily farmers. Growth drivers are the intensive marketing network penetrating even the interiors of India, increased farm income, enhanced awareness about the cost-benefit tradeoff of agro-chemicals, highly diverse product range with solution for almost all problems in all crops, innovative marketing strategies and international technical tie-ups. The Company keeps adding new products every year through its collaborations and is continuously on the lookout to bring the latest technology to Indian Farmers.
