About Us

Dharshini Impex (P) Ltd, one of the leading cotton grey fabric manufacturer and machinery trader, set its foot in the textile industry in 1995 with an integrated infrastructure of imported machineries, modern lubrication systems, creative human capital and stringent testing measures to provide the best quality products.

We have emerged as one of the distinguished organisations in both the sectors. Our policy of delivering best quality products at the right place at the right time at the right price coupled with continual improvement and social accountability have enabled us to define our markets.

Used Machinery Trading

We are one of the leading machinery traders in textile machines, especially in the weaving sector. We have supplied more than 2000 machines from all over the world. Our **22 years of experience** in the business & goodwill speaks for our reliability towards both suppliers & customers.

Weaving We have a modernized weaving unit with 45 well-maintained Automatic shuttleless looms with an advanced humidification plant. We produce all types of fabrics like plain, twill, drill, satin, window panel, swiss , dot, stripes, multi stripes, reverse satin, oxford, honeycomb, rib checks and mummy crepe at high quality and supply throughout India.
