We are engaged in manufacturing and supplying an exquisite range of **Fancy Bathroom Fittings & Accessories**. These items are tremendously appreciated for their diverse features like finish, corrosion resistance & smooth texture etc.

About Us

Dhawan Sanitary Udyog has been the leading manufacturing and supplying company for **Fancy C. P. Bathroom Fittings & Accessories** under the brand name "**PRIMA**". The company has been developing and manufacturing quality products associated with technology & aesthetic appeal since year **1991**. Our products are manufactured in conformity with the latest technology and **Bureau of Indian Standards (BIS)**. Our products are checked & tested by a team of experienced technical personnel under the directions of our quality control engineer at the initial stages itself for their proper functioning. Rigid tests are conducted, right from the procurement of raw material to the finished products. There is absolutely no compromising with the quality of our products at any stage. Our fancy collections in different ranges are popular for their excellent workmanship, unblemished performance and long-lasting aesthetic looks. Our '**ISI**' marked products have been widely accepted and are being used in various **Government Departments** like **MES, MAP, RITES, CPWD, PWD, DDA** etc. besides various prestigious housing projects in the private sector. We have achieved good results & reputation in the market due to our quality products. The suggestions and contained support of our esteemed customers like you in the process of our development shall always be of immense help to evolve better and better quality...
