

# Dheen Systems & Softwares

<https://www.indiamart.com/dheen-systems-softwares/>

Dheen Systems is one of the pioneers in Computer Training and Software Development which was established in the year 1996. We started with Software Training in Designing and slowly developed to train School, College, Employees.

## About Us

We have been Affiliated to All India Society for Electronics & Computer Technology ( Under DST, GoI), Bhopal. We established Computer Training Programmes directly to Schools and Colleges with Modern Lab facilities and Well Trained Instructors. We have come across various projects for Women Development, Govt Institutions etc.
