# Dhiren Chemical Industries

<https://www.indiamart.com/dhirenchemical/>

We are one of the prominent organizations engaged in the manufacturing and exporting of a wide range of leather and industrial chemicals including surfactants, emulsifiers, process chemicals and ethylene oxide condensates.

## About Us

We **Dhiren Chemical Industries**, are one of the reliable manufacturers, exporters and suppliers of a wide range of leather and industrial chemicals including industrial chemicals, industrial cleaning chemicals, laboratory chemicals, dairy chemicals, industrial specialty chemicals, surfactants, emulsifiers, process chemicals and ethylene oxide condensates.

Established in the year **1985**, at **Baroda, in Gujarat**, we are growing under the able guidance of **Mr. Dhiren Shah**.. With our advanced in-house laboratory, we are able to develop nonionic, anionic surfactants like phosphate esters and cationic; emulsifiers for: oil, wax, mixtures, etc. Besides this, we are backed by **pilot plant facilities** that enables us to develop new range of products in order to fulfill the needs of various other industries.

Our products are sold under the brand names of **JAYNON, JAYMUL, PARANON, JAYFINISH** series. Driven by our commitment towards environmental considerations, we carefully plan the manufacturing of existing and new range of products..
