## About Us

DHRUV DIAGNOSTIC LAB established in 1992 is providing exemplary services to people of East Delhi for over a decade.

We at Dhruv lab constantly strive to acquire latest medical lab technology. At present ours is one of the best equipped lab in East Delhi. It is equipped with the latest state of the art equipments (list attached ) and is manned by well trained and dedicated staff. All the tests are directly supervised by full time pathologist. All the technical and supporting staff personnel are highly motivated as is reflected in our Quality Policy.

Further more the lab being highly quality conscious is constantly participating in various internal and external quality control programmes i.e. VILAC, CMC Vallore External quality assurance programme (EQAP), National External Quality Assurance Programme (NEQAP IAPM). By virtue of consistent excellent results in this national level quality control programme, the lab has been awarded with the status of Reference Laboratory. Furthermore, in recognition of the organization's quality system, UKAS (URS) has awarded ISO 9001 :2000 to our laboratory.

It is our constant endeavour to provide best reports of international quality to our patients. Now, to cater to the needs of health conscious citizen/individual, we introduce various health packages. As you are aware "A stitch in time saves nine." These health packages will help early detection of various illnesses and thus enable one to timely intervention and cure.
