About Us

Diadem Ship Repair Pvt. Ltd. established in **2019** by Director "**Santosh Shinde**", they have a experience of decades in Shipping Industry. Their comprehensive knowledge of this business led them to create a company with difference.

It was based on the belief that a successful firm doesn't just provide a service to their clients, but rather believe the growth of Company is all efforts and hard work of efficient staff who understands customer expectation and works to exceed them.

Opportunities, Challenges and potential growth prospect have enabled us to focus into this business. We Will conduct your container repairs in accordance with IICL standard and as per acceptance of our principals. We assure you of high quality and fast repairs at competitive rates and that all repairs are done as per International Standard.

We are a well established supplier of Hoses. We have an excellent distributing network. We have special vendor bases that allow us strategic reach to most parts of the country and across the subcontinent. Our organization constantly thrives on feedback received through clients and industrial network to bring to our clients new improved, sophisticated Hoses pipes. We are also on the constant look out for Hoses pipes that can be used in more and more industries and enable us to serve every customer requirement.

Our offered range of products is made using finest quality raw materials and advanced technology. Offered...
