About Us

Dial A Cake™, as the name itself express we specialize in delivering the cake on order. We have a dedicated team of expert who handles our Hot Line where people can dial and place their order. To make the order experience better we have placed our products over our website.

Our focus is to get all the best possible cake delicacies from around the world to the city and set a new trend in the cake industry. We also deals in Cakes, Chocolates and Flower etc.

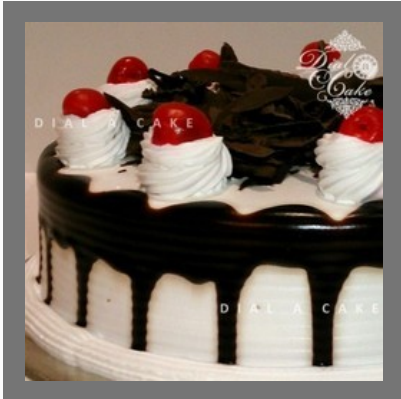

Dial A Cake strive to make itself synonymous with cake and cake delivery service. We try to make the occassion special and memorable by adding the pinch of our efforts into each of our discerning consumers life, no matter where they are.
