## About Us

Incepted in the year **2004**, **Diamond Plastic Company** is an eminent firm, affianced in manufacturing and supplying a comprehensive collection of **Zip Lock Bag, Plastic Garbage Bags, Paper Shopping Bags, LDPE Poly Bags, Laundry Bags** and **Non Woven Bag**. These products are designed by making use of optimum-quality material and futuristic machines and tools according to the set industry margins. The presented collection of products is immensely credited by our prestigious clients for their unique features such as long life, precise design and cost effectiveness. Clients can get these products from us at the pocket friendly rates. We have developed for ourselves a vast and well installed infrastructural facility which is divided into a number of units comprising production, quality testing, R&D, logistics, warehousing & packing and marketing unit. Manned by their respective executives, we have hired a trained workforce which is highly capable in this industry. Also, the workforce we have with us is among the best talents present in the industry. Moreover, their capability to understand and fulfill the demands of our patrons has made us a preferred market choice. Beneath the visionary headship of capable guide **Mr. Bhupinder Dutt**, we are able to achieve a huge clientele base in the market. Due to his affluent industrial knowledge and affluent experience in the relevant sphere, our firm gains a top most places in the industry.
