Dipti Corrugating Industries Pvt. Ltd. is a reputed manufacturer and supplier of **Corrugated Boxes & Packing Products**. All these products are applauded by the customers for their accurate dimensions and seamless finish.

About Us

Dipti Corrugating Industries Pvt. Ltd. is a registered small-scale enterprise engaged in the manufacturing of **corrugated boxes** since **1993**. There is an increasing demand for corrugated boxes which are used for **packaging consumer goods, white goods, electronics, chemicals, machinery, furniture** etc. Dipti Corrugating has been in the market for close to 2 decades and supplies excellent quality products within a stipulated time.

The major raw materials are different varieties of paper and board. All varieties of paper are sourced from multiple paper agents located within Maharashtra. The price of paper/ board does not fluctuate much and can generally be passed on to the customer.

The output of the unit is printed cartons and corrugated boxes and there are no substitutes except plastic packing materials. However, paper packaging is Eco-friendly and has advantage over plastic in terms of cost, bulk production and appearance etc. Hence, packing materials manufactured from paper and board is preferred.

The company has implemented latest management systems like T.Q.M. Dipti Corrugating is an ISO 9001: 2008 certified company. The company is registered under MSMED Act 2006.
