We are trusted **Wholesale Distributor, Trader, Services Provider** and **Supplier** of **CCTV Camera, Digital Video Recorder, Security System, Electronic Locks, Home Automation System, Video Door Phone, EPABX System.**

About Us

Discovery started its business deeds in the year **2003**, with a main aim to offer trustworthy and smart security solutions at cost-effective price in the market. Our company is involved in the **Wholesale Distributor, Trader, Services Provider and Supplier** of products such as **CCCTV Camera, Digital Video Recorder, Security System, Electronic Locks, Home Automation System, Video Door Phone, EPABX System, Biometric System, Door camera, Intercom Systems, Doorbell System, KTS System, CCTV Cameras Installation Services** and many more products. We offer our products to our clients at market leading rates. We make use of finest quality wrapping materials so that we can make transits safely over longer distances. Coordinating clients for taking orders on continuous basis, communicating vendor for procuring goods, processing procured goods, and working hard to finish consignments in set time, our workers give their best efforts. Using the latest technology we make sure that we are not left behind and outdated. Being one of the greatest suppliers of the domain, we consider it our priority to offer our clients with unmatched quality products. For this, we have built a team of skilled professionals that make sure that the vendors, we connect with are licensed and trustworthy. We have established a top-of-the-line warehousing unit, which is very voluminous and maintains appropriate conditions for maximum storage. To undertake...
